## PGSM Leadership Expectations

*Do not be conformed to this world, but be transformed by the renewal of your mind.  
Romans 12:2*

### **Overview**

PGSM is looking for committed and caring adult leaders who are willing to pray for and humbly lead the youth of this church and community. Leaders must have an active and growing relationship with Jesus and a love for students. Leaders do not need to have it all together or know all the answers. No experience required.

This document is designed to help inform you what is expected of the adult leaders of PGSM. If you have filled out the application, go ahead and read/sign this document to acknowledge that you have understood it and agree with it, then return it to the church office or email it to Pastor Nate at [nate@pgcc.us](mailto:nate@pgcc.us). If there are questions, please let Pastor Nate know.

Leaders are expected to be:

- **Humble.** Be honest and approachable with students and other leaders.
- **Accountable.** If there are issues that come up, deal with them in a Biblical manner (see Mt. 18). Be above reproach when interacting with students.
- **Committed.** Be there regularly. This includes our youth meetings (Sunday School, Youth Group, etc) as well as any leadership meetings. Also, be committed to attending church services and developing relationships with students outside of events.

Leaders are also expected to:

- **Communicate** by letting Pastor Nate know if you are unable to attend something or if you become aware of important situations with students that require parental or adult involvement.
- **Pray** regularly for the students that are connected to PGSM. Find out what they need and spend time praying for them throughout the week.
- **Listen** to the students and walk alongside of them.
- **Teach** the students by example. Show them your own journey and give them wisdom from your heart after having listened to where they are at.

By the help of Jesus and other leaders, I will strive to uphold these expectations.
