Possible Short Term Mission

Dear Pine Grove Community Church family,

We are thrilled to announce that **International Messengers**, in partnership with our church, is offering an incredible opportunity to participate in a short-term missions trip to Eastern Europe, the Middle East, or South America during the summer of 2024. Click [here](#) to visit their website.

This is a once-in-a-lifetime chance to experience a new culture, build meaningful relationships with locals, and share the love of Christ with those who may have never heard of Him before. Whether you are a seasoned missionary or have never been on a missions trip, this is an amazing chance to step out of your comfort zone and grow in your faith.

During your time abroad, you will work alongside International Messengers, an established missions organization that has been sharing the gospel in countries around the world for over 60 years. You will have the opportunity to be a part of a larger team, serving in a variety of ways, including evangelism, discipleship, humanitarian aid, and more.

Not only will you have the opportunity to make a difference in the lives of those you serve, but you will also experience personal growth and transformation. This trip will challenge you to rely on God in new ways, to step out in faith, and to embrace new perspectives.

The cost of the trip includes all expenses, including airfare, lodging, food, and transportation. The trip is open to high school students (if accompanied by a parent), adults, and families. Scholarships may be available for those who need financial assistance.

Please consider joining us on this exciting adventure. This is a wonderful opportunity to be a part of something larger than yourself and to impact the world for Christ.

For more information, please contact Mike or RaNae Jewell at 715.499.1320. And be sure to attend our informational meeting on [March 12th at 8:45 in room 26](#). Let's make a difference together!

Blessings,

The Missions Team at Pine Grove Community Church
